

SPEAKING ABOUT

WEB & MOBILE DEVELOPMENT

Sponsorship Opportunities

SPEAKING ABOUT it is an annual gathering of web developers focused on producing more sophisticated applications using recent technologies and web-driven development frameworks.

This year we expect to have over 600 programmers, project managers and entrepreneurs to join us in **Castelo Branco** to improve their work and establish valuable relationships.

The sponsorship of SPEAKING ABOUT is the main way to promote your brand to the public of SPEAKING ABOUT.

Not only conference programmers, but also those who attend online.

Sponsorship Levels

We consider that a personal and unique approach works best for both worlds, so please feel free to contact us (details below) to resolve any details that will help create a mutually beneficial relationship..
